Comments: This is supposed to be WILDERNESS and we've seen record numbers of users since COVID. Why would you build a roller coaster in WILDERNESS? For you people to shut down the La Luz trail race, stating the WILDERNESS ACT, then turn around and support this project makes me disgusted. The greatest good for the greatest number is a lie. You should be protecting these lands for the current and FUTURE generations. This is not for the FUTURE GENERATIONS!!!! STOP INFRINGING ON WILDERNESS AREAS!!! Please DO NOT BUILD A FREAKING ROLLER COASTER ON THIS BEAUTIFUL PUBLIC LAND!!! This doesn't even pass the common sense test to me. Stop the madness and keep the wilderness as free from man as possible. No coaster
