Comments: Hello,

I am writing in regards to keeping Mt. Hood Meadows from any kind of developments on the north side of Mt.Hood. I strongly oppose any development as it is the only side still untouched and wild. I cannot imagine the disruption to wildlife and environment if they were to build on this side. I live in Parkdale. Our water supply could be endangered and it just is not set up to be a destination resort on the north side. Please do not let this happen.

Thank you
