Comments: I would like to see better oversight of this area if allowed to continue as a range. Either through fees at the gate, paid staff, or volunteers. Closing access so there is only one way in or out. My wife and I are constantly appalled at the amount of debris/trash that is brought out and never picked back up. We go out to shoot a bit, pick up brass, and collect some of the trash so it's not left out there. I also think limiting the hours the range is open out of respect for the nearby residents. Overall, I'd like to see better management of this wonderful resource for recreation and the shooting sport.
