First name: Tom

Last name: Glugla

Organization:

Title:

Comments: I live about a mile from Turkey Tracks and over the past several years have had to tolerate shooting noise from before dawn extending past dark. I've had enough of the machine guns and canons, countless fires caused by irresponsible people, reckless shooting across the highway, total loss of quality of life, trash and environmental issues, and the impact on our local resources. DO YOUR JOB AND FIND A MORE SUITABLE SHOOTING RANGE LOCATION THAT IS FAR AWAY FROM NEIGHBORHOODS!
