Comments: I would like to see more cross country style mountain bike trails in Sanpete County. I think the foothills between Fairview and Manti (or just between Spring City and Ephraim- due to private land) would be amazing terrain for fun family-friendly trails which could be accessed from all towns (Fairview, Mount Pleasant, Spring City, Ephraim, Manti). This would also be a great tourist draw and potential economic boost for the county. Id be happy to help with planning and trail building efforts.
