Comments: I applaud the installation of the sled! Our family always enjoyed Purgatory's sled on vacations when our children were young; Purgatory was part of the destination vacation decisions. You should think about the addition of a Zipline also! (like Ruidoso has).

I hope it will be accessible from both sides of the mountain to not overburden the streets here in the east mountains.

Thank you for the opportunity to give input! As an East Mountain resident since 1989, I think this will be fantastic and promote new up and coming skiers and snowboarders.
