Comments: I'll be brief. First, thank you for the opportunity to chime in.

I love New Mexico and I'm tired of our state being denigrated on a constant basis. This state is so beautiful. It's full of great people, great culture, great architecture, great outdoors and more.

I WHOLEHEARTEDLY support an investment in a project like this one. One that gives New Mexico something positive to share with the world and to experience ourselves.

So yes, PLEASE approve this project.

Yours truly, A NM resident and fan
