Comments: Albuquerque is not a Big enough City to attract many people. This Mountain Coaster would be a Gem for the City. It's very rare that Albuquerque is mentioned unless it's for something bad. New Mexico itself well we hardly exist to the rest of the USA. A Majority of people throughout the Country don't think we're part of the USA. SO YES PLEASE bring it on. Well get tourist, it will help build revenue. Albuquerque really doesn't offer much for its citizens to do, I think with this...If You Build it, They Will Come
