First name: Michael

Last name: Garcia

Organization:

Title:

Comments: I'm all for it if it's done with the least amount of damage to the mountain. I think it would be great for the economy and also give jobs especially with all that has happened this past year. I'm from El Paso and I visit Albuquerque at least 3 times a year. My daughter and I love visiting. This will add to out things to do and enjoy.
Sincerely Michael Garcia
