Comments: To whom it may concern,

I write in strong support of the mountain coaster project for the Sandia Mountains. As a resident of Albuquerque who enjoys both the outdoor beauty and recreational opportunities afforded by living near the mountains, I think this coaster is a great way to achieve both goals.

If constructed, the Mountain Coaster could provide year-round activity for both Albuquerque locals and tourists alike. A year-round mountain experience that is non-weather dependent is welcome.

The Mountain Coaster will also provide year-round jobs for local residents.
