Comments: I have attached the link from the 2004 Master Plan. If you look into this Durango Mountain resort /Purgatory resort still has yet to build the snowmobile parking area. Why should they be allowed to build further ski runs when they have not yet finished the parking area from 2004.

Develop a snowmobile parking/staging area along Hermosa Park Road, north of Purgatory Village on the west side of Highway 550, which would accommodate cars, trucks, and trailers.
