Data Submitted (UTC 11): 3/23/2021 11:18:27 AM
First name: Kay
Last name: Park
Organization: House Wife Save The God Gifts
Title: Owner
Comments: Don't distroy the gifts God has given us. The Government has distroied the horses and burrow etc. After they quit using them in the Army. Just took them out and made the people that loved them shoot all of them.What a disgrace to our Country.
