Comments: Please do not allow our beautiful resource, the Sandia Mountains, to be defaced for financial gain. It is ludicrous to think that such a ridiculous project will even be financially sound. People do not want to ride a roller coaster in these beautiful surroundings. They want to hike, reflect, walk, gather.

ANY money generated by this folly will surely dry up after the novelty runs out and we will be left with an eyesore which will forever damage the beautiful vistas.

JUST SAY NO.
