Comments: I am asking you to please save our beautiful Heber WILD Horses from the horrible fate this horrible U.S. department of Land Management has planned for them. They are God's creatures...He created them . YOU ARE THE PROBLEM! They have done nothing wrong...you just get a kick from being cruel to God's creations. They do not harm the lands..The Wild Horses have been on our lands for hundreds and hundreds of years causing no harm ..You are only out for the profits you can get from these Megestic animals. You get a kick of murder, selling for murder, abuse, all the evil is by our United States Government. What a disgrace you are. The Heber Horses are watched over by a wonderful group of people that do what they can to help these horses while you the government undermines them whenever you can. You do things which are cruel and evil just to hurt horses...not letting them have water...cutting fences..NOT doing your jobs when horses are murdered..makes us think you are the murderers. Letting beautiful fowls lie and die because you man had the day off...Letting this baby that SOMEONE MURDERED ALONG WITH HIS FAMILY SUFFER...SICK...YOU PEOPLE ARE SICK!!!! Please have some kind of heart. I love visiting and hoping to see a group of Magnificent Beautiful Wild Horses when I take the trip to Heber. It is a wonderful sight to behold. AND YOU THE United States Government is supposed to be protecting our Wild Horses not rounding them up for murder. What a disgrace you are. We love our Wild Horses at Heber...PLEASE STOP MURDERING THEM AND MISTREATING THEM...ALL FOR THE LOVE OF MONEY AND BOWING TO THE CATTLEMENS ASSOC.DEMANDS AND PERSONEL MONEY GAINS. COMPASSION IS WHAT AMERICA NEEDS AND OUR WILD HORSES NEED OUR COMPASSION AND CARE...THINK OF ALL THE EVIL THIS DEPT. HAS DONE!
