First name: Kathy

Last name: Borgan

Organization:

Title:

Comments: Please keep the herd level to a minimum of 200 hundred animals. The suggested number in this document is an extinction level and the herd will not survive. Instead of roundups, please use humane birth control methods such as PZP. These horse belong to the residents of this country and are national icons. They are beloved the world over. They deserve respect and protection. Thank you for your time.
