Comments: Following this comment period, comments received that are specific, substantive and timely will be considered and addressed as appropriate. A draft decision notice and finding of no significant impacts (FONSI) will be prepared and circulated. This project is subject to the predecisional administrative review process (objection process) pursuant to 36 CFR 218, subparts A and B. We will notify those that previously commented of their opportunity to object when the FONSI and draft decision notice are available.

Following the objection period and resolution, a final decision notice will be issued. The Final Territory Management Plan will be issued concurrently based on that final decision.

Sincerely,
