

Data Submitted (UTC 11): 3/29/2021 11:19:27 PM

First name: Katherine

Last name: Hunt-Monro

Organization:

Title:

Comments: The increased traffic going up and down the mountain will impact wildlife and seriously raise the risks for more wild fires. We don't need this amusement in exchange for more fires and environmental destruction.

Please don't build this. Thank you for allowing space to share!
