They are Gods Creatures not ours...??

All this crap about they are destroying the earth (Bull Crap)

The truth is u just want them out of the way for Cattle ( Warfare Rancher's)

And Big Business.....

Another Truth is the Cattle and Sheep are destroying the land after they grass the land the only grass that can grow is a grass called cheat grass highly flammable and is the reason for many of our fires and Deaths and

Damages that are caused by the cheat grass catching on fire ....

These our GODS CREATURES NOT YOURS !!! GOD IS WATCHING ????
