Comments: I strongly oppose the Mountain Coaster project. The Sandia Mountains are a peaceful sanctuary from the city. Humans can only enjoy the mountains if we do so responsibly, and this roller coaster will destroy the peace and quiet of the mountains, not to mention devastate the ecosystem of plants and animals that live in the forest. This roller coaster is an obnoxious, terrible idea. It will increase traffic along the highway and be an eyesore. Please don't ruin the wilderness with this atrocity.
