Comments: This proposed rollercoaster is preposterous, offensive, and ridiculous.

This is a sacred Pueblo site and there is absolutely no need or cause for this disruptive and dangerous project. I am absolutely appalled, if I could personally speak to the person who proposed this ROLLERCOASTER in the middle of precious mountains I would ask "how dare you?"

I will personally do everything in my power to stop this from happening every step of the way, I will disrupt, engage, create red tape, alert the masses, donate money, whatever it takes. I will make it my personal mission and I will not stop until you agree to honor this land and leave it alone and in the stewardship of Pueblo people who have loved and cared for this land for generations.

Thank you for your time and I recommend you reconsider.
