Comments: I am opposed to the damage and disrespect done to sacred land of the Pueblo of Sandia. There is no objective reason why a project for recreation would waive NEPA authority and ignore the inevitable damage done to the land and people from whom the land was stolen. Do not damage sacred lands for a rollercoaster.

The request feels obvious and I'm pretty ashamed of my government that I have to submit a comment with such an obvious statement. Do better, or quit your jobs so people who will value Indigenous people, their land, and the planet can do better.
