Comments: To Whom It May Concern,

I am opposed to the building of this planned roller coaster, as it doesn't even consider the indigenous peoples in this project whatsoever. The ancestral land that is there belongs to indigenous peoples and not the American government or any other organization that believes they have rights to it. Displacing people, animals and other natural artifacts is wrong and incredibly harmful. Do not move forward with this project, as it erases and steamrolls the most vulnerable in our
