First name: Sierra

Last name: Martinez

Organization:

Title:

Comments: Hello, my name is Sierra and me and my family were all born and raised in New Mexico. I strongly oppose the building of a "mountain rollercoaster" because of the harm it will undoubtedly cause to the surrounding natural environment. In addition, construction such as this would be hugely disrespectful to Tiwa land and people, which we as a community should never support. Please do not allow this to happen in New Mexico.
