Comments: I am against the construction of the Sandia Peak Ski Area Mountain Coaster #56985. It will create more traffic than it already does and it will harm the wildlife and vegetation there. I am pro preserving the land and keeping it as natural as possible. I find it to be a terrible idea to build a roller coaster in the mountains. Keep it in the city (Albuquerque) please. Thank you. I hope you choose the land over profit and destruction.
