Comments: Please do NOT build a mountain coaster on the Sandia Mountains. There are too many reasons why this should be opposed: it will threaten wildlife, it will bring litter/garbage/excessive foot traffic to a sensitive area, noise pollution, etc. Most importantly, the Sandia Mountains are sacred to the Pueblo of Sandia and they must be consulted with. Not every piece of wild land must be developed - the Sandia Mountains should be enjoyed and appreciated as they are, sans giant metal mountain coaster. Please do not build this.
