Last name: Tenequer

Organization:

Title:

Comments: I object to this project because this will attract more visitors/ people that will disrupt and damage the serene and tranquil nature of a sacred mountain. I also object until free, informed prior consent is given by the ancestral habitants (the Pueblo's of NM). Lets focus on sustainable projects that allow people to explore nature without disturbing or harming the environment. Lets change our thinking from thrills and investments to places/ spaces of healing and acknowledgement and restoration. #LandBack
