Comments: I oppose the Sandia Peak Ski Area Mountain Coaster. Constructing such a monstrosity on a mountain sacred to the indigenous community in this area would be a disgrace. These people have had so much taken from them in the name of making money and conquering land. The increased traffic and noise pollution this would bring could have detrimental effects on wildlife in this ecosystem. It's time for us to listen to the original stewards of this land and to protect what is sacred, before it's too late.
