Comments: I strongly oppose the implementation of a roller coaster at Sandia Peak. Not only is this indigenous land, but wildlife and the eco system will suffer. For decades visitors have enjoyed the peace and solace that the forest service brings to Sandia Peak, and I believe that peace will be compromised by this project. I beg you not to allow this project to move forward, as it will set the precedent for other intrusive recreation to take place in our sacred parks. My objection is not only about the building of a roller coaster at Sandia Peak, but the door that will open for other greedy developers. Soon, there will be no peace and solace at all.
