Comments: Honestly, completely unacceptable that this is even a thought or in progress. It
s such a large area of wonderfully kept national forest. For someone to just come say " lets build an amusement
park ride here" is incredibly selfish and ignorant to the preservation of wildlife and natural surroundings that we
AS ONE PEOPLE are entitled to keep preserving. Think about anything besides your half assed time on this
earth trying to make money PLEASE for the good of everything thats barely hanging on. pick another site,
outside of New Mexico
