Comments: I as a Wild Horse lover and advocate ask you to please leave our beautiful Heber Wild Horses alone..They are doing NO HARM TO ANYONE..They live peacefully and the people of Arizona love them. Farmers seem to hate them because they want the land they live on..They are being harassed and murdered by PEOPLE THAT HATE.Seems like the Forrest Rangers are part of the problem and will not work to find the killers of all the murdered beautiful horses. believe this is a way they can cut the heard down. Corruptin is the way of the Bureau of land management and forrest service. Please leave our horses live out their live peacefully and everyone work together instead of harassing these beautiful kind animals that just want fredom and peace. THEY DO NO HARM TO ANYONE..ONLY RANCHERS WANT THEM GONE AND ARE HATEFUL GREEDY PEOPLE....
