First name: Joshua

Last name: Larsen

Organization: Triad River Tours

Title: Operations Manager

Comments: My name is Joshua Larsen, Operation Manager for local small business Triad River Tours. As a river enthusiast and outdoor professional, this project is extremely important to me. Please conduct an EIS for this project and DO NOT choose Alternative 1. Clear cutting has a huge impact on river runoff, and can cause flash flooding which greatly increases erosion and can destroy salmon spawning habitat. It is very important that we protect our rivers and this starts with preventing clear cutting.
