Last name: Schaumberg

Organization: Mossy Mentors

Title: Owner

Comments: My name is Katlynnne (Kat) Schaumberg and I am one of three owners of the Mossy Mentors- an outdoor youth mentoring program in Bellingham, as well as being a local mountain guide for the American Alpine Institute. This project is very important to me and my businesses because the state of the ecosystems dramatically affects my immediate business, as well as the lasting impact it has on the children.

I Urge the USFS to conduct an EIS and not choose Alternative 1 because clearcutting affects climate change, salmon habitat, landslide/erosion, ignores First Nations treaty rights, and will take away from the potential connection between future generations and this land.
