'Whether we and our politicians know it or not, Nature is party to all our deals and decisions, and she has more votes, a longer memory, and a sterner sense of justice than we do.' - Wendell Berry

'The animal shall not be measured by man. In a world older and more complete than ours, they move finished and complete, gifted with extension of the senses we have lost or never attained, living by voices we shall never hear. They are not brethern; they are not underlings; they are other nations, caught with ourselves in the net of life and time. . .' -Henry Beston
