Comments: Points North has allowed me to enjoy all of what makes Alaska great for over the past decade. Alaska, and Cordova in particular, is such a special place with one-of-a-kind terrain and a kind, generous soul exemplified in all of its local businesses. And the skiing that PNH has allowed me to access is something I will always hold deep in my heart, but more importantly, their consistent devotion to ensuring that the mountains and the surrounding areas maintain their purity has always weighed heavily with my desire to come back year after year. I hope to continue to be able to enjoy all of the quaintness of Cordova along with the spectacular scenery and skiing that Points North offers for the next 20 years!
