Hello Cordova Ranger District,

My name is Mike Heher and I have been a repeat guest at Points North Heli over the past few years. Points North Heli is what brought me to the town of Cordova and gave me the chance to experience all the beauty and charm that the town and region has to offer. Checking out the glacier and eating at the Reluctant add to the incredible experience of heliskiing in the Chugach. The mountains in this region are truly world class and breathtaking, and experiencing them in the winter, on skis, from a helicopter, is unmatched. In no other scenario would I have been able to get to the locations in the Chugach that we were able to reach and to be able to see new terrain is something I would most certainly have to come back to experience.

Heli skiing with PNH in the Chugach is one of the more memorable moments in my life, and I hope to come check out some new amazing terrain in years to come.

Have a great day!

Michael Heher
