First name: Suzanna

Last name: Davis

Organization:

Title:

Comments: I am 70 in 2 months time and prior to becoming an RN I worked in reforestation in the 1970's. Please recognize and stand up for your jobs as stewards of all this beautiful part of Earth you have been entrusted with. We are meant to share this planet with all creatures. Please embrace your role as protector and stand up for what is best for all. Thank you.
