Comments: The US Forest Service is following Breau of Land Managements actions. Leaseing Public Lands to Private Livestock Owners to which these owners do not protect Wildlife and its habits. Natural water sources are destroyed along with waterways. Grass habits are destroyed. Not one violation has been corrected to date. There is no Public Oversight of Public Lands. Agencies don't over see these leases to ensure ALL WILDLIFE HAVE ACCESS to grasslands and water. Illegal grazing has NOT BEEN STOPPED NOR FINES ISSUED. These Public Lands belong to the People, those who do not ensure the People's Lands do not deserve to be employed by the People.
