Comments: The Wilderness Act is being trammled by this directive. Its updating allows for easier access to hiding deliberate assaults on its kernel substance. As a proud citizen of the United States, I hold dearly our God given mandate to be stewards of His creations. In addition, allowing the desecration of our lands so that more cattle, i.e. more wealth to the very few, is to be beholden to a different god altogether: money. Please leave us land which has not been contaminated by the hypocritical Rangeland Management Directives.
