Comments: Please to do the right thing to do for Wilderness, other public lands, and wildlife by dropping its proposed Rangeland Management Directives from Trump.

There is no reason for people like Clive bundy should overgraze public land and owe \$1000000. Garnish his income.

All I ever see is overgrazing on public lands. This is unacceptable and doesn't fit in a wilderness.

Thanks for all you do. I volunteer with USFS and blm to maintain trails.
