Comments: I am concerned about using public lands for grazing. There must be better uses and there needs to the first goal of protecting and making these spaces accessible to all. Ranchers do it for free? Is there damage, etc?

Do the right thing for Wilderness, other public lands, and wildlife by dropping its proposed Rangeland Management Directives.

Runs directly counter to the Biden Administration's 30x30 land conservation agenda by sacrificing what could be protected lands to the commercial livestock industry.

livestock grazing is fundamentally at odds with the mandate of the Wilderness Act that Wilderness remain "untrammeled."
