First name: Pamela

Last name: Ostboe

Organization:

Title:

Comments: Gathering and removal is very cruel to animals. It interrupts natural wild life and breaks up families by virtue of " rounding up techniques", and over crowded holding pens. Then the auction where there are usually kill buyers. This practice is so inhumane and we (humans) know better. Darting birth control (PZP) is a much more humane. Please consider a darting team to reduce the herd by attrition.
