

Data Submitted (UTC 11): 4/18/2021 5:57:45 PM

First name: sophia

Last name: boragini

Organization:

Title:

Comments: There are Humane ways to manage the number. Forage allocation was only counted by size of territory not by actual size of acreage where they roam. They are a historical herd funded by federal law. These are public lands in which the opinion of the public should matter the most. Please save the horses. Thank you
