Comments: I would like to express my opposition to your Heber wild horses project. I believe they are a beautiful part of Arizona's history. I fell in love with the wild horses at the Salt River. It's a place to escape from the city and enjoy nature and these majestic wild horses. I feel it would be a great injustice to us as the public who enjoy them and to the horses who deserve to be wild and free. The management teams do a great job taking care of them-pleases let them stay!????
