Comments: More insanity! Long Valley is a giant caldera/volcano , stupid place to drill!

Long Valley is a source for Southern California's water supply,stupid place to contaminate!

Long Valley belongs to its animals ,plants and humans who survive on its beauty and rich natural resources.

Open pit mines are primitive and leach dangerous chemicals into our air and water supply !

Stop the Facsist money grabbing lunatics who continue to threaten our future! ABOSOLUTELY DISGUSTINGLY  
UNACCEPTABLE!!!!!! Stop this !!!!!!!!!
