Disposal of problem and nonplaceable animals: Excess animals, for which an adoption demand by a qualified applicant does not exist, shall be destroyed in the most humane manner possible. Justification for each disposal action must be supportable and thoroughly documented.

This ia against the law "It is the policy of Congress that wild free-roaming horses and burros shall be protected from capture, branding, harassment, or death; and to accomplish this they are to be considered in the area where presently found [in 1971 when the law went into effect], as an integral part of the natural system of the public lands."

Please remove this item from the proposal.
