Data Submitted (UTC 11): 4/22/2021 3:52:17 PM
First name: Maina Wachira
Last name: Paul
Organization: Scouts movement
Title: Camp warden
Comments: These wonderful creatures were put in our planet by The creater.We have to live with them and appreciate His creation.Talking about over population is over taken is nonsense to me,we don't feed them from our pockets..Common on The creater feeds them.Let them be.
