Comments: As a frequent visitor to the Long Valley and Mono and Inyo counties, I take care to pick up other people's trash. I follow leave-no-trace principles when I camp, and I am careful to only drive or walk on established roads and paths. I care about this region which has given me so much joy, so much access to a spiritual connection to the land.

Tourism is your gold mine, and it will keep on giving indefinitely.

Please don't disrupt any of the Long Valley for gold mining.
