Comments: These wild horses belong to America, not to any specific groups and NO GROUP HAS THE AUTHORITY TO DECIDE WHO WILL LIVE OR DIE, IN Heber or anywhere else! They have been given the rights to roam freely until corrupt politicians, bribed by rich ranchers gave the BLM and others the ability to replace OUR wild horses with cattle who destroy our desert while our horses are shipped for slaughter! My prayer is that those responsible for the destruction of innocent wild animals will have to answer for it, if not on this world the in the next ! We are ALL EQUAL, IN THE EYES OF OUR CREATOR!
