

Data Submitted (UTC 11): 4/22/2021 6:17:39 PM

First name: Morgean

Last name: Thompson

Organization:

Title:

Comments: No one local to the eastern Sierra wants this. We care about our natural beauty and our entire lifestyle here is based on it. This threatens our lifestyle and we will not accept this. If it comes down to it, we will defend this land with our bodies. We will not allow this to happen in any circumstance.
