Comments: Dear Colleen Garcia,

I am begging you to not allow this to happen. I strongly oppose the Long Valley Exploration Drilling Project proposed by Kore USA Ltd. (Kore Mining). This project will destroy the delicate ecosystem of Long Valley area in Mono County.

The project's proximity to Hot Creek, one of the region's critical watersheds and fisheries; it is paramount we do not disrupt what has taken so many years to restore and is so critical to the people and wildlife in that specific region.

At some point we need to stop greed and focus on our delicate ecosystems to ensure we have a balance with nature!

I greatly appreciate all that you do to serve our communities and precious resources!!
